Option 1 - Storage / Car Cover only [from £30 p/w]

Your car is kept in our secure storage facilities, protected by a cotton breathable car cover. The battery can either be disconnected or removed by the owner.

This is best suited for long-term storage, for cars expected to be immobile for a long period.

Car must be carefully recommissioned prior to driving again.

Option 2 - Storage / Air Chamber [from £45 p/w]

Your car is kept in our secure storage facilities, protected by an Air Chamber system and the car is connected to a battery conditioning system.

This package is best suited for owners who wish to drive their cars periodically. Fluid levels must be checked prior to leaving storage by customer.

Tyres must be checked prior to leaving storage by customer.
